fabricante equipamentos térmicos

ADF

PT

Desde o início da sua actividade em 1976 que, a ADF se dedicou ao fabrico de soluções de aquecimento a biomassa com, qualidade, robustez e design inovador. Hoje, com o conhecimento acumulado, e desejo contínuo de inovação, a ADF desenvolve e fabrica equipamentos de elevada qualidade. Desempenho, design e segurança são atributos que irá encontrar nos nossos equipamentos, hoje adquirir um equipamento ADF é mais do que garantir o aquecimento do lar, é decoração, conforto, segurança e bem-estar. Fruto do nosso profissionalismo, todos os nossos equipamentos cumprem com os requisitos estabelecidos pelas normas europeias.

ES

Desde el comienzo de su actividad en 1976, ADF se dedica a la fabricación de soluciones de calefacción a biomasa con, calidad, durabilidad y diseño innovador. Hoy, con el conocimiento acumulado, y el deseo permanente de innovar, ADF desarrolla y fabrica equipos de alta calidad. Rendimiento, diseño y seguridad son los atributos que se encuentra en nuestros equipos, hoy la compra de un equipo ADF es más que asegurar la calefacción de la casa, es decoración, comodidad, seguridad y bienestar. Con nuestra profesionalidad, todo nuestro equipo cumple con los requisitos establecidos por las normas europeas.

EN

Since the beginning of its activity in 1976, the ADF is dedicated to the manufacture of biomass heating solutions with quality, durability and innovative design. Today, with the accumulated knowledge, and the continuous desire of innovation, ADF develops and manufactures high quality equipments. Performance, design and safety are attributes that will find in our equipments, today purchasing ADF equipments is more than ensuring the heating of the home, is decoration, comfort, safety and welfare. With our professionalism, all our equipment complies with the requirements set by European standards.

FR

Depuis le début de son activité en 1976, l'ADF est dédiée à la fabrication de chauffage à la biomasse avec des solutions de qualité, durabilité et design innovant. Aujourd'hui, avec les connaissances accumulées, et le désir continu d'innovation, ADF développe et fabrique des équipements de haute qualité. Performance, design et sécurité sont des attributs qui se trouve dans nos équipements, aujourd'hui l'achat d'équipements ADF est plus que d'assurer le chauffage de la maison, est la décoration, le confort, la sécurité et le bien-être. Grâce à notre professionnalisme, tous nos équipements sont conformes aux exigences fixées par les normes européennes.
